English Press Release

Happy New Year! Electrophil Records fourth Release coming out on 27th of January, **EPR004 “Dance Pop” from Gil Sozinho**. His prime focus lays on House and electro. But he enjoys experimenting with Dubstep, Drum&Bass and Hip-Hop. He says: There are no, so called “rules” in music, just do whatever you like! A little time has passed, and now he’s releasing his first Electro-House Track on Electrophil Records.

Inside this release, you will find the Original Version of Dance Pop produced by Gil Sozinho. A great bumpy Electro House Track. Also there are two Remixes, one from G-Rillo which is a groovy House Version and a Deconstruction Remix made by Weltenwandler which goes in a Deep Variation of Tech House.

The following artists, magazines and radios stations also supported these new productions: Richie Hawtin, Paco Osuna, Claude VonStroke, Don Rimini, Tsugi-Mag, Resident Advisor, electrosound.tv, westradio.gr, Additan Radio and many others icons of the industry!

But make yourself your own opinion and visit the electrophil Homepage on the **27.01.2012** and buy these smashing tracks on Beatport, Amazon, Juno or some other stores!
