English Press Release

The sixth release of Electrophil Records is also the third debut EP of an Basel-based Producer. **EPR006 “Things”** comes from **Francesco Ballato**. Since 2005, he worked eagerly on his own productions in a constantly growing studio. His first release was part of a remix contest and slowly but surely the rewards for his constant musical devotion become clear.

Within this Release you will find four tracks from Francesco and 3 remixes that all come from German producers. Erudeh and Family Thing are two great deep tracks to move your feet, while Snakes on a Plane and Milkshake concentrate more on the tech-house side on things.

Two remixers are from Freiburg, **Chris Milla** arranged a more bumpy version of Family Things and **Syntec** guises Milkshake in a harder groove. **T.S.H.** from Bremen created an Acid version of Erudeh. But have a listen yourself at those amazing tracks!
