### **English Press Release**

**EPR008 "The Ruin EP"** is the second Release of one of Electrophil's core producers: **Weltenwandler**. The track **The Ruin**, a collaboration with scottish singer and sonwriter **Zoë Lawrence**, shows again Weltenwandler's melodic yet bass-driven approach to tech-house music. The intriguing original track is accompanied by a to-the-point techno club remix by **T.S.H.** and a tech-house rework by **Atesh K.**, whose remix yet again shows his unique style and feel for music.

The second original track is **The Relic**, again, melodic elements paired with a driving bassline, but this time including neotrance influences. A beautiful electronica remix of The Relic by **Aiden** completes this EP and will leave you wanting more.
