English Press Release

EPR013 sees the return of a prolific Basel based producer. With “**Same Old Feelings**” **Francesco Ballato** releases his third EP. Former breakdancer and now known as DJ Fran-G, has been an active part of Basel's night life for more than a decade now. In May 2012 he released his first EP “**Things**” on the Swiss label “**Electrophil Records**”.

This EP starts with “Endless”, a simple dreamy atmosphere creates the base for this deep groovy Track. And as the name already reveals you could hear this track Endless. Also the next Track circumscribes itself, “Same old Feeling”. With long Baselines and wired Vocals it's little like the Same old Feeling on a Sunday after a hard weekend. Long Baselines and Vocals also contains in Laugh Again and The Truth. “The Truth” is a frisky deep house track featuring the talented singer Annie Jacklin which is the result out of a jam session with her.

Belong to the Original Track there are three Remixes from some old Friends of Francesco, starting with Danny Kotz which made a more ambient Version of Endless. Also a little ambient acting is the Remix of Same old Feeling from the Freiburg based Producer Marco Di Feo. Entirely different is the Jackrabbit Remix of The Truth which will keep your feet moving.
